

The Hope Institute for Children and Families is seeking a full-time general Dentist for its growing dental practice. This individual will be treating children and adults with mental and developmental disabilities at the state-of-the-art Noll Medical Pavilion Dental Clinic.

Qualified candidates must be a licensed General Dentist. Specialist patient care training a plus but *not* required.

The Hope Institute offers a competitive salary, comprehensive benefit package, as well as federal loan repayment program. This is a rewarding and exciting non-traditional opportunity!

Interested and qualified applicants submit resumes to:
