

Crisis Prevention Registered Nurse

The Hope Institute for Children and Families is seeking a Registered Nurse to serve as a member of the Crisis to Prevention-Support Services Team. The RN will review records and charts, recommend interventions regarding health care, and serve as a resource to individuals with developmental disabilities in distress. The RN will also provide medical/health care consultation for persons with developmental disabilities who are in medical, emotional, social, and/or behavioral crises that may result in and out of home placement.

Requirements include graduation from an approved nursing education program resulting in an associate, diploma, or Bachelor's degree in nursing and licensure as a Registered Nurse in the State of Illinois. Must complete a background clearance, physical and drug/alcohol screen.

The Hope Institute offers a competitive salary and benefit package as well as the opportunity of advancing the education of students with special needs.

Qualified candidates, please submit resume to:

The Hope Institute for Children and Families
