

## **Residential Services Supervisor**

The Hope Institute is seeking individuals with previous supervisory experience to provide management and oversight to our residential homes as a Residential Services Supervisor. Duties involve training and developing staff to ensure that all program and behavioral plans are carried out and overall management of staff including their schedules and daily duties.

Qualified candidates will possess a minimum of an Associate's degree or 60 semester hours in a human service or related field and a valid Illinois driver's license with the ability to qualify as a DCFS driver. Excellent communication and organizational skills, and the ability to quickly adapt to a flexible environment required. Previous supervisory experience strongly desired.

The Hope Institute offers a competitive salary and benefit package as well as the opportunity to encourage and enhance an environment that promotes independent living for the youth we serve.

Qualified candidates, please submit resume to:
